

*It's Tee Time !*

*The 3<sup>rd</sup> Annual Friends of the Clinical Center  
an NIH Charity  
Golf Tournament  
Monday June 20, 2011*

*Montgomery Country Club - Laytonsville, Maryland*

**To all friends of the National Institutes of Health:**

Please join the Friends of the Clinical Center (NIH/FOCC) for a day on the links at the third annual NIH Friends of the Clinical Center Golf Tournament! This is a great opportunity to get out of the office and network with government and industry leaders while supporting an important NIH charity. As you probably know, the Friends of the Clinical Center is a non-profit NIH charity organized to help patients at the National Institutes of Health who develop financial and other emergency needs while they are participating in clinical trials at the NIH Clinical Center. Treatment within an NIH clinical trial is free to patients, but the costs of living go on while patients are being treated. The FOCC provides full financial assistance for all in need. FOCC financial assistance serves both clinical trial patients and science. With FOCC help, financially burdened patients are able to complete clinical trials and the trials are more accurate and scientifically valuable because they can maintain complete cohorts of patients. The FOCC is an important NIH charity and you can be a valuable partner in the work of the FOCC.

The FOCC golf tournament is scheduled for **Monday June 20, 2011** and will be held at the beautiful **Montgomery Country Club** in Laytonsville, Maryland. All proceeds from this event will benefit the FOCC; and all funds will be given to clinical trial patients on an as needed basis as determined by the Clinical Center social work staff. The FOCC is a great charity and the FOCC golf tournament a great event and it is expected to sell out! Information about the tournament, registration, and sponsorships opportunities is highlighted below. Sponsorships go fast, [so sign up early!](#) We look forward to seeing you at this wonderful event.

Best regards,

Heidi Grolig  
Director – Friends of the Clinical Center at NIH

Dear Potential Sponsor,

I would like to thank you for your consideration of sponsorship for the 3<sup>rd</sup> annual Friends of the Clinical Center Golf Tournament and your support of National Institutes of Health. This event benefits a wonderful and important organization at NIH, Friends of the Clinical Center. The times we live in are challenging with the continued economic difficulties facing our region and the nation. Recent world events have reminded all of us of the value of sacrifice and the importance of giving. It is very important we continue this fundraising activity. The support from sponsors and participants like you is needed to allow this important organization to continue its good work.

The day includes golf on a premier private golf course (beautiful Montgomery Country Club), breakfast, lunch, networking with senior government and business executives, tournament contests, golfing awards, auctions and a raffle.

There are many ways you and your company can participate and I look forward to discussing them with you at your convenience. If you should have any questions or are just ready to sign up please contact me directly at 240.271.7651 or at [jvigne@exeter.com](mailto:jvigne@exeter.com) . You can also contact FOCC Director, Ms. Heidi Groligh at 301.402.0193 or [groligh@mail.nih.gov](mailto:groligh@mail.nih.gov) .

I appreciate you taking time to consider sponsorship and I look forward to seeing you at this great event.

Best regards,  
Jeff Vigne - Tournament Sponsorship Chair

*The 3<sup>rd</sup> Annual Friends of the Clinical Center  
an NIH Charity  
Golf Tournament  
Monday June 20, 2011  
Montgomery Country Club - Laytonsville, Maryland*

# *About the Course....*

## *Montgomery Country Club*

Nestled in a region of the country dominated by power and policy, Montgomery Country Club offers an extraordinary golfing experience. This 1963 Edmund Ault design features a 6,700 yard, Par 72 layout with large undulating bentgrass greens and several long dog-legs. Characterized by slightly rolling hills indicative of the area, the course has water hazards that come into play seven times.

With its brand new bentgrass greens, Montgomery Country Club is widely recognized for its superb layout and exceptional conditions. In addition, the installation of a new irrigation system, bunker renovations, and improved drainage over the past few seasons has enhanced the natural aesthetics and playability of this hidden gem.
